

Incivility and Representation

Abbildungen und Tabellen

2026-09-04

About / Getting started

Previous versions of this analysis have been prepared for the Leipzig Elitentagung (~ March 2026) and for the Schwanholz/Stecker Volume (final revisions during summer term 2026). This code for the ecpr in September 2026 is derived from the Schwanholz/Stecker Volume, as it includes the final revisions.

Abb. 1: Unterrepräsentierte Gruppen

** This plot is not part of the Elitentagung/ecpr paper ! **

Abb. 2: Rückzugsgedanken und Themenvermeidung

This is the version for the Schwanholz/Stecker Volume. Numbers/values are identical with the Elitentagung version!

Abb. 3: Erfahrung physischer und kommunikativer Inzivilität

Numbers/values unchanged between Elitentagung and Schwanholz/Stecker version!

Abb. 4: Rückzugsgedanken und Themenvermeidung aufgrund von Inzivilitätserfahrungen

Numbers/values unchanged between Elitentagung and Schwanholz/Stecker version!

Abb. 5: Themenvermeidung und Rückzugsgedanken nach Gruppen

Numbers/values unchanged between Elitentagung and Schwanholz/Stecker version!

Abb. 5b: Themenvermeidung / keine Themenvermeidung

Diese Analyse ist nicht im Schwanholz/Stecker-Bd und wird in der Version für die Elitentagung nicht berichtet. Sie zeigt aber, dass Frauen und Personen durch die Inzivilitätserfahrung in die Themenvermeidung, aber auch in die Nicht-Themenvermeidung gehen!
